

# THE INTERIOR JOURNAL.

VOL. XXXIII.

STANFORD, KY., FRIDAY, NOVEMBER 10, 1905.

NO. 69.

HON. R. L. HUBBLE

"Took" the lead and Worthington was too far behind in the race to be called a starter. His majority is over 1,100.

HON. JESSE M. ALVERSON

Whose majority is 512. His good record as Representative from Lincoln county was endorsed in no uncertain terms.

JUDGE R. C. WARREN

Who had no opposition but got an immense complimentary vote.

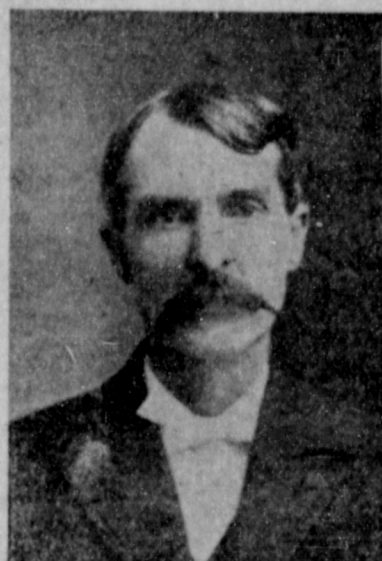

COUNTY ATTORNEY W. S. BURCH.

The splendid campaign chairman who is entitled to great credit for the success of the democrats. He should serve the county most acceptably as county attorney.

## A Disastrous Calamity.

It is a disastrous calamity, when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs, and cure headache, dizziness, colic, constipation, etc. Guaranteed at G. L. Penny's, Stanford, Lyne Bros., Crab Orchard; 25c.

The Southern Conference of Quarantine and Immigration is in session at Chattanooga, Tenn.

GEORGE B. COOPER.

Present and next county clerk. Neither the democrats nor the republicans gave him opposition. They all wanted clever "Thompy."

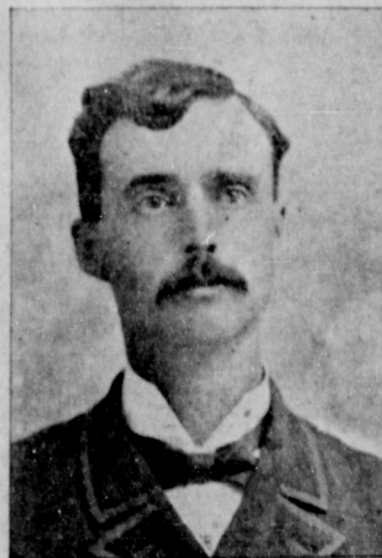

MR. F. J. HILL.

Will collect your taxes for the next four years. By a majority of over 600 the democrats think him the man for the place.

W. A. CARSON.

Will assess your property for four years to come. He will make a capital assessor.

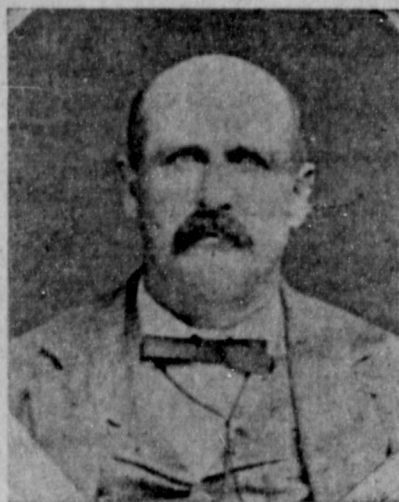

GARLAND SINGLETON.

School superintendent, present, past and future.

## Man's Unreasonableness

is often as great as woman's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed, and five physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by G. L. Penny, Stanford, Lyne Bros., Crab Orchard. Price 50c.

W. IKE HERRIN.

Who will continue to carry the jail keys for more years at least. We got tired counting up his majority and gave up the job. The people came near making his election unanimous.

## BALLOTING.

Rockcastle went republican by 350. Mercer was in line good and strong. Wayne county went "wrong" by a majority of 300.

Hats off to "Judge" Ezra S. Gooch, of Somerset, a Lincoln county product and a good one.

Garrard county did pretty well, thank you. Democratic majorities from 350 to 500 are to her credit.

As is most always the case, Rowland was the first precinct to report. And the report it made was most gratifying to the democrats.

Mr. A. W. Carpenter, the prohibition nominee for State Senator, has fully determined not to contest Hon. R. L. Hubble's election.

Mr. W. S. Burch stands pretty well at his old home of Crab Orchard. There were 331 votes cast there Tuesday and he got 302 of them.

Boyle county repudiated Hood Worthington by giving Hon. R. L. Hubble 291 majority. For county judge Reed S. Nichols won by 185.

At Lancaster the court-house ticket won for councilmen. It was headed by Ed Bishop for mayor. D. W. C. Armstrong was elected police judge.

The election at Middlesboro passed off quietly. There was no opposition to the republican ticket either in city or county. The city voted almost unanimously for the issue of \$15,000 bonds to erect a new school building.

Hurrah for the State of Casey! It will be Judge M. L. Sharpe, Attorney Charles F. Montgomery and Superintendent J. Sherman Lawhorn after Jan. 1. Let's all join in the doxology which begins: "Praise God from Whom all Blessings Flow."

If there was any one so foolish as to think that Joe T. Embry is not a democrat from head to foot, his work here Tuesday must have changed his belief concerning him. Joe is in a class by himself when it comes to doing good work for democracy.

Revolt against bossism in the republican party in Pulaski county culminated in the election of Colyer and Borden, democratic candidates for county attorney and clerk, by 300 majority, overcoming the usual republican majority of 2,000. The following city officers were elected: T. R. Griffin, mayor; E. S. Gooch, Judge; Edwin P. Morrow, Attorney; Walter Elrod, Chief of Police.

Squire James A. Dudderar was re-elected magistrate over A. C. Carman by a big majority. In the Crab Orchard district D. J. Smith won by 40 or 50 votes over Gus Geiszl. David R. Adams defeated Wash Cook in the Waynesburg district by 75 or 80 and in the Hustonville district W. M. Dudderar ran away from Matt Reynolds like a thoroughbred. The republicans got a pleasant look but the boys under the rooster got the votes. Cheers again and again for democracy's triumph.

## When You Have a Bad Cold

You want a remedy that will not only give quick relief but effect a permanent cure.

You want a remedy that will relieve the lungs and keep expectoration easy.

You want a remedy that will counteract any tendency toward pneumonia.

You want a remedy that is pleasant and safe to take.

Chamberlain's Cough Remedy meets all of these requirements and for the speedy and permanent cure of bad colds stands without a peer. For sale by all druggists.

It is said that a mistake has been discovered in the count of the vote in Russell precinct in Greenup county, which will reverse the result when corrected and elect Cole, democrat, to the Legislature.

The fusionists won in Breathitt county and Judge Hargis and his crowd are now sitting "way back, where they should have been for years.

## IN NEIGHBORING COUNTIES.

Arron Blair, aged 24, died of typhoid fever in Marion.

William Patterson, a well-to-do farmer of Anderson county, was killed by a Southern train as he was crossing its track.

Wm. Findlay was shot and fatally wounded in a general fight which took place at Bear Wallow precinct, Madison county.

Willis M. Jones has been appointed postmaster at Hackley, Garrard county, and Jasper O. Ogg at Wallaceeton, Madison county.

Riley Ball was brought to Middlesboro by his brother, Charlie Ball, and Sheriff Johnson. Shelby Ball is said to have agreed to surrender.

The "blind tiger" shack, the alleged headquarters of Frank Ball and his men just across the State line from Middlesboro, was destroyed by fire.

At Langford, Rockcastle county, the house of Will Bishop was destroyed by fire. His 10 months-old babe perished in the flames. A neighbor rescued two of the children.

George R. Davis, of Boyle, suffered a peculiar accident while feeding hogs. In their rush to get to the corn which had been thrown to them, one of the porkers dashed against Mr. Davis, throwing him to the hard ground and breaking his leg in three places.

W. B. Edwards, of Perryville, official surveyor of Boyle county, has made a wonderful record as a bicyclist, having ridden 95,000 miles during the past 20 years and hopes to have to his credit within the course of 12 months more a distance equalling the circumference of the earth. He began riding the old high, ordinary wheel, then took to the safety when it came into vogue and later adopted the motor cycle.—Danville News.

## KINGSVILLE.

Election day was comparatively quiet here. The preceding days were lively, to say the least.

The home of Fount Dishon was burned Friday afternoon. Mrs. Dishon was alone with her two small children and could not extinguish the flames nor get any of the furniture out. When the crowd arrived the house was in a mass of flames and nothing could be done except to protect the adjoining buildings. Mr. Dishon was absent at his work and knew nothing of the fire, which was started by his little son touching a lighted match to a lace curtain.

W. L. McCarty, of Stanford, and J. M. McCarty, of Corbin, came home to vote. Harve Watts, of Harriman, Tenn., and Mack Williams, of Oakdale, were also here for the same purpose. Wm. G. Wolf went to Nicholasville to help elect a democratic ticket. Miss Bessie Meredith, of near Stanford, was here last week. S. C. Carter, of Sedalia, Mo., made a brief visit to friends here. Mrs. Sam McKeithan and baby will return to Covington, Tenn., where Mr. McKeithan is employed as signal man on the Illinois Central. Miss Dollie Gooch, of McKimney, was the guest of Mrs. George Rigney.

Mr. G. A. Walter and Miss Birdie Johnson, formerly of Grant county, were married Sunday evening by the Rev. Ebright at the parsonage. The bride is a lovely young lady in every respect. She is exceptionally bright and pretty and possesses a sweet and gentle manner. The bride is rather of the French blonde type and is of a petite figure. She was attired in a lovely white silk costume, the groom in conventional black. If it is true, as has been said, that the groom is never of much importance, i. e. the bride receives all the attention, comment and praise, we really think this groom ought to prove the exception. As every one knows, he is one of the best men living. He is handsome, affable and possesses many good qualities. He was formerly from Stanford, but has been in business here for a number of years, where he is regarded by all as strictly honorable in all dealings. This popular couple is boarding at the hotel, but will go to housekeeping later.

## "I Thank The Lord!"

cried Hannah Plant, of Little Rock, Ark., "for the relief I got from Bucklen's Arnica Salve. It cured my fearful running sores, which nothing else would heal, and from which I had suffered for 5 years." It is a marvelous healer for cuts, burns and wounds. Guaranteed at G. L. Penny's Stanford, Lyne Bros., Crab Orchard; 25c.

Oldwed—Let's celebrate our golden wedding next week.

Mrs. Oldwed—But we've only been married 20 years.

Oldwed—I know, but we need the gold.

"You should not look upon de wine when it am red."

"Well, I's not particular about de color, parson."

## The Interior Journal.

E. C. WALTON.

THE INTERIOR JOURNAL plead with the democrats of Lincoln county to do their full duty at the polls Tuesday and right royally did they do it. By their good work they made the best county on the map absolutely democratic for all time to come. The smallest majority in the county races is over 500, while the largest borders close on the 700 mark. It was a glorious day for democracy and every democrat is duly thankful for it; so thankful indeed that he is willing to celebrate both President Roosevelt's and Mayor Powell's Thanksgivings and several more if they are declared. Everything was in favor of the democrats, including the weather, which was well high perfect. Every precinct in the county did admirably but Macksville, or Stanford No. 2, and Crab Orchard's two, led the procession. Macksville, which has gone as much as 90 republican, went 50 democratic, and Crab Orchard, heretofore uncertain, is 150 democratic. It took work to bring about the results but the democrats left no stone unturned and let no obstacle bar their way in the performance of their duty. It would take columns to give the names of all the gentlemen who worked faithfully and effectually and we will not attempt it, but the work done by Messrs. Joe T. Embry, Sam Embry, Carroll Shanks, Carroll Bailey, S. T. Harris, James Woods, Rowan and George B. Sauley, R. M. Newland, B. W. Givens, E. P. Woods, A. C. Dunn, Henry Hester, J. C. Lynn, W. E. Perkins, O. P. Newland, J. F. Holdam, Josh Wilson, W. T. Tucker, S. M. Chandler, Sam Helm, Ward Moore, Sam Magee, Sam Owens, W. L. and J. M. McCarty, G. A. Walter, M. G. Reynolds, George D. Weatherford, J. K. Baughman, W. S. Drye and others, whose names we can not recall just now, stamps them as democrats good and true. Their splendid efforts should be remembered and rewarded and in the name of the party of parties, we tender them thanks and offer hearty congratulations. Three cheers for the gallant workers and cheers again for the greatest democratic victory in years. We do not crow over fallen foes but we are "dog-goned" glad the democrats won and the republicans lost. They should have known better than to have made the race.

"WHILE Mr. Bryan is in the Holy Land, he should not fail to locate the spot where Judas got his 30 pieces of silver, and erect a monument there," sneers the St. Louis Globe-Democrat, which, strange to say, is a Republican paper, traveling under false colors and a misnomer. The Commoner, Mr. Bryan's paper, gets back as follows: "In the meantime would it not be well for the Republican national committee to return to the policy holders of the New York Life Insurance Company the 148,000 pieces of silver already located by the testimony of John A. McCall?"

PURE water pays in the prolongation of life, and money invested in a pure supply is well spent. Portland, Ore., has just expended about \$3,000,000 in securing a pure water supply brought in pipes from a lake 50 miles distant, having an elevation of 3,500 feet above sea level and being fully protected from contamination. The water previously used in Portland was brought from the Willamette River, made filthy by drainage. As a result of the use of the pure mountain water the yearly death rate in Portland has been reduced from 27 to 7 per thousand.

GROUND was broken at Richmond, Va., for the monument to Jefferson Davis, to be erected by the United Daughters of the Confederacy and to cost \$50,000. Mrs. S. T. McCulloch, of Staunton, Va., chairman of the monument committee, presided at the ceremonies, which were simple in the extreme and witnessed practically by the members of the building committee only. The unveiling ceremonies are fixed for 1907 and are expected to be very elaborate, the whole South participating through prominent representatives.

THE vestrymen of old Trinity church, on Broadway, opposite Wall Street, New York, recently refused \$3,000,000 for the site, which was wanted for sky scraper office buildings. The difference between those figures and what would be sufficient to build one of the finest churches in the country would leave a big amount to help save the heathen.

THE latest scheme is to build a railway through the entire length of Alaska, provided the government will guarantee the bonds. The road will be 5,000 miles long and is estimated to cost fifty millions of dollars. The game would hardly be worth the candle.

CONSIDERABLE space is devoted to politics this issue, but the news is so good we can't keep from telling it.

It's over and the slide came our way, and quoting good old Brother Barnes, "Praise the Lord" for it.

No more politics for a year. What a happy thought!

## NEWS NOTES.

Adair county went republican, as was expected.

Fire at Birmingham, Ala., caused a loss of over \$250,000.

Former Gov. Horace Austin, of Minnesota, died from the effects of an operation.

Great devastation was wrought by a typhoon in the Japanese province of Oshima.

Over 100 Cossacks are reported to have been killed in a fight with rioters in Caucasasia.

Lottie Lucas, aged 12, of Sturgis, swallowed a pin while dressing and died in half an hour.

Four hundred and 12 Jews, victims of the massacres of last week, were buried at Odessa.

Louis Fitzgerald, son of Gen. Louis Fitzgerald, was killed by a train at Great Neck, L. I.

Gov. Jelks has ordered that Alabama's only colored militia company be mustered out of service.

Henry P. Montgomery, one of the oldest and wealthiest men of Scott county, is dead at Georgetown.

Mrs. Pink Head secured a verdict of \$15,000 against Cheatham Hodge for killing her husband at Paducah.

After following a woman from California to New York City in the vain effort to persuade her to marry him Walter Herlich, of Lindsay, Cal., killed himself.

A fire which started in Frank Turner's restaurant at Stamping Ground burned down the People's Bank, A. Ford's brick building, McKeever and Coleman's barroom.

Campbell Brothers' circus train was wrecked near Temple, Texas, and nearly all the animals escaped to the woods. Something akin to a panic prevails in the rural districts.

Sam Lady stabbed Ed King to death in a drunken row at Logana, Jessamine county. No cause was assigned for the deed. Lady has disappeared, with officers in pursuit. King lived in a shanty boat on Kentucky river.

About forty representative and leading business men of Atlanta met and decided that an industrial exposition of the resources of the South shall be held in Atlanta in 1910. A meeting to form a permanent organization is to be held within a few days.

Mrs. John Dolan, with her three little daughters, while walking on a railroad trestle near Richmond, Va., were caught by an approaching train. The two elder girls were killed instantly. The mother, with the youngest child jumped into a canal beside the track and escaped injury.

Riley and Shelby Ball are in jail at Pineville and Charles Burch and Neil Daniels, said to be members of the gang which has been committing depredations around Cumberland Gap, are in jail at Tazewell, Tenn. The situation at Middlesboro is less tense, and the outlook is good for a season of quietude.

## POLITICAL.

Curtis Guild, republican, was elected governor of Massachusetts.

The republicans made a clean sweep in Chicago and Cook county.

J. N. Adams, democrat, was elected mayor of Buffalo, N. Y., by 8,981.

Clay county, a few years ago 1,400 republican elected a democratic jailer.

Bookwalter, republican, was elected mayor of Indianapolis by 1,500 plurality.

Tom L. Johnson was re-elected mayor Cleveland and Pattison carried that city by a big majority.

The democrats carried Evansville in the municipal election by about 2,500, a gain of 5,000 over the election last fall.

On the ground of fraud, William R. Hearst, will contest the election of George B. McClellan as Mayor of Greater New York.

George B. Cox, the republican boss of Cincinnati, after his crushing defeat, gave out a statement announcing his retirement from politics.

Five persons were killed and several were fatally injured in a wreck on the Delaware, Lackawanna and Western railroad, near Wilkesbarre, Pa.

Mayor Grainger will retire from office November 21, when Mr. Barth will take his place. Mayor Grainger will leave office still retaining his popularity.

George B. McClellan was re-elected mayor of New York by a comparatively small vote over William R. Hearst. William T. Jerome was re-elected district attorney.

Democratic Chairman Garber, of Ohio, believes Pattison's plurality will reach 55,000 and that the entire democratic ticket is safe. Republicans concede the election of Pattison and the loss of the legislature.

## Herb W. Edwards Injured.

Herb W. Edwards of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knees. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm and after a few applications all soreness had disappeared. I feel that this bottle of Pain Balm saved me several days' time, to say nothing of the suffering." This liniment is for sale by all druggists.

## CHURCH MATTERS.

Rev. Leroy W. Warren, of Monongahela, Pa., has been called to the Second Presbyterian church of Lexington.

Of 1,562 Baptist churches in Tennessee only 65 have preaching every Sunday. The proportion in Kentucky is much better.

Rev. J. C. Abbott, who has been pastor of the Christian church at Barbourville for the past year, has resigned and will remove to Virginia.

The church at Frankfort has established a church extension memorial fund in memory of George Darsie, who was their pastor for more than a score of years.

S. W. Megginson, district field secretary for the Presbyterian Sunday schools, was here this week and made some excellent addresses on Sunday school work.

Rev. W. M. Wood, pastor of the Harrodsburg Baptist church, after refusing three very flattering offers to come to other churches in the past year, has at last given in and will go to Covington. It will be recalled that when the call was made last year from the Chicago church at a handsome increase in salary, the congregation at Harrodsburg busied themselves for a few days and raised the amount, and Rev. Wood remained. His salary at the new charge is said to be \$2,100.

Rev. O. M. Huey has accepted a flattering call to the Somerset Baptist church and so announced to his congregation here Wednesday night. It will be with sincere regret that the members here give Rev. Huey and his excellent family up. They have made many friends during their sojourn, who feel that Somerset's gain is their great loss. Mr. Huey is not only a splendid preacher but a most excellent gentleman as well. He and his family will leave about Dec. 1.

## Rockefeller's Income.

In Wall street John D. Rockefeller's wealth is estimated at fully \$200,000,000; his income at \$25,000,000 a year.

This income is nearly equal to the entire income of all the crowned heads of Europe.

It means that he collects a million-dollar dividend a little oftener than twice a month.

As he rides to church in his auto, he is able to reflect upon the cheerful fact that his fortune has grown \$480,750 since the previous Sunday.

Rockefeller's daily income is \$80,125. How can any one spend against that? This is at a rate of \$10,015 every working hour, if he observes the eight-hour day, or at the rate of \$3,338.54 every hour in the 24.

Just think of getting \$55.63 every minute!

The average respiration for an adult is 18 per minute. Therefore every time John breathes he is \$3.09 better off.

The Rockefeller income is equal to a tax of 33 1-3 cents per annum on every man, woman and child in the United States.

If the Standard Oil magnate were to put his fortune into \$1 bills he could carpet seven and one-half acres 100 deep with them.

Think of walking across a field and kicking up money like that?

## HAVE YOU WEAK LUNGS? Do You Fear Consumption?

When we take into consideration the fact that one out of every seven in this climate die of consumption, is it any wonder that it is feared by the people of Stanford who have weak lungs and chronic colds and coughs?

A famous London physician has for years urged his patients, when the slightest tendency to consumption appeared, to take the best cod liver preparation they could find, and physicians everywhere have recognized that the cod's liver contains curative values for coughs, colds, bronchitis, consumption and all wasting diseases unequalled in medicine, but unfortunately, few could take and derive any benefit from old-fashioned cod liver oil and emulsions on account of the indigestible grease which they contain.

Mr. Penny, of Penny's Drug Store, Stanford, says: "We want every person in Stanford to know the value of our new cod liver preparation, Vinol. It actually contains in a concentrated form all of the strengthening body-building elements of cod liver oil actually taken from fresh cods' livers, without a drop of oil or grease to upset the stomach or retard its work."

Therefore, where old-fashioned cod liver oil or emulsions would do good, Vinol will do far more good. We guarantee Vinol will improve the appetite, strengthen digestion, make rich, red blood, create strength, cure chronic coughs and colds and strengthen weak lungs. If Vinol fails to give satisfaction, we return your money without question. Penny's Drug Store.

The fusion executive committee of Louisville announces that the election of Paul C. Barth and the entire local democratic ticket will be contested in a suit which will soon be filed in the circuit court, asking that the entire election be set aside. The estimated cost of the suit is \$30,000. The fusion committee asserts that this amount has been practically raised already.

THE Casey republicans wanted Editor John Henry Thomas to devote all of his attention to the News, hence they voted for Mr. Lawhorn. DEATH OF LEWIS MARRIOTT.—Lewis Marriott, only child of Mrs. Belle Marriott, (nee Belle Lewis, of Lincoln county) died shortly after six o'clock Wednesday morning, Nov. 1st, at the family home in this city. which met in Louisville, will consider a

unique plan, the like of which has prob-

ably never been under consideration in

any country. A plan is to be considered

for establishing a retreat for aged and

infirm horses. During the year just

than 9,000 horses and other animals. At

present the society has no funds for the

establishment of a home for decrepit

horses, but it is hoped that liberal

contributions to such a fund will be

forthcoming when required.

## No Poison in Chamberlain's

Cough Remedy.

From Napier New Zealand, Herald:

Two years ago the Pharmacy Board

of New South Wales, Australia, had

an analysis made of all the cough

medicines that were sold in that

market. Out of the entire list they

found only one that they declared was

entirely free from all poisons. This

exception was Chamberlain's Cough

Remedy, made by the Chamberlain

Medicine Company, Des Moines, Iowa,

U. S. A. The absence of all narcotics

makes this remedy the safest and best

that can be had; and it is with a feeling

of security that any mother can give

it to her little ones. Chamberlain's

Cough Remedy is especially recom-

mended by its makers for coughs,

colds, croup and whooping cough.

When taken in time it prevents pneu-

monia. This remedy is for sale by

all druggists.

A doctor was lately summoned to a

cottage at Harwood, in Teesdale, and

found a boy patient in need of his

services.

"Put out your tongue, said the doc-

tor.

The boy looked like an owl.

"My good boy," requested the medi-

cal man, "let me see your tongue."

"Talk English, doctor," put in the

mother, and then, turning to her son,

she said, "Hopen thy gobbler and push

out thy lollip."

The boy rolled out his tongue in a

moment. - Tit-Bits.
